New York State Department of Health Sanitary Code for Children's Camps requires that medication of all types are kept locked. If your child takes medication at times other than during camp hours, (at breakfast, dinner or bedtime) please include this information on their health form. It is important for camp staff to have a full understanding of anything that may affect your child. The camp staff will carry Epi Pen and Inhaler in their first aid bag so it is with the child at all times.

SUN SCREEN. Campers will be in the sun often. Children should bring their own sunscreen. Counselors will encourage the children to use Sun Screen several times a day and will supervise the process. You may want to give your child a "good coating" of sunscreen before they leave home in the morning. YMCA Staff will not apply sunscreen on your child. They will remind campers and will supervise application

WATER BOTTLES: Campers are encouraged to bring water bottles. Campers will be allowed to carry their water bottle when on walking trips and field trips. Label with child's name.

BEHAVIOR: *A behavior problem is disruptive behavior and affects the group as a whole. There is ZERO tolerance for physical violence and bullying behaviors.*

Safety and behavior expectations are reviewed with all campers. Staff will redirect a child's behavior; separate from challenging situations or influences; remind a child of rules and recognize them for making good choices.

If a child has a consistent behavior problem the following steps will be taken:

*Removing the child from the incident or activity, talk with them about the situation, behavior and choices made. "time out" or removing child from activity for a cool down time followed by discussion with staff to be sure child understands the unacceptable behavior and what would be a better choice.

*Parents will be informed of situation if the problem is repeated, involves disrespect and or violence or anger.

*If a problem continues, parents will be notified and asked to assist the staff with the review and enforcement of camp rules at home.

*If a behavior or situation is out of control, disrespectful, hurtful to oneself or others, dangerous and/or parent assistance does not help, a written notice will be given to the parents. This **Behavior Letter** will be used as a last resort for negative behavior. This is considered the most serious form of behavior communication. The child is asked to assist staff in completing the letter by identifying what they did; why they did this and what they should do differently.

*We ask parents to review the letter with their child and return it, signed and dated, to the Day Camp Site Director before the child will be allowed to return to the program. Any child who receives (3) Three written notices will be removed from the program permanently with their next written violation. **The behavior letter process should be taken seriously.**

LUNCH: Every CHILD **MUST BRING A LUNCH** with DRINK everyday. NO lunch program is available. Parents will be contacted and expected to provide the child with a lunch.

WEEKLY COMMUNICATION: There will be a newsletter for parents with weekly activities and reminders for anything special a child will need. Please read and discuss activities with your child. Any additional ANNOUNCEMENTS will be posted on sign out board if needed.

CLOTHING: Please remember your child will be actively playing and participating in crafts, athletics and outdoor play. **Children should dress in play clothes appropriate for the weather with SNEAKERS. Wear sneakers with socks each day.** Day campers do a lot of walking and running and shoes other than sneakers are not safe. **NO SANDALS, Flip Flops, Crocs or Heeles.** Sneakers are required for athletic activities. Flip Flops or water shoes may only be worn at swimming pool and in locker rooms. Label child's name on all belongings. We can return found items when there is a name to identify the owner.

YMCA staff will not be responsible for valuables.

SNACKS: Campers are provided with morning and afternoon snack. The morning snack does not replace a child's breakfast. Vending machines are only allowed for use at lunch or after pick up
*****USE CAUTION, THE vending machines CAN BECOME VERY EXPENSIVE AFTER A FEW DAYS.*****

SWIMMING: ALL DAY CAMPS SWIM DAILY. YMCA campers swim daily from 3:00-4:00. Starpoint Campers will swim at Starpoint Pool 3:00-4:00.
