Become a YMCA volunteer.

We build strong kids, strong families, strong communities.

Y VOLUNTEERS™

We build strong kids, strong families, strong communities.

At the YMCA, your time and talent go a long way. Every hour you spend as a Y volunteer translates into the caring attention a child or teen needs to grow up healthy and resilient. It translates into support for families to be successful and strong. Into healthier lives for people of all ages, backgrounds, abilities and incomes. Into a safer, more viable community that's a good place to live and work.

As a Y volunteer, you can lead an exercise class, read to a preschool class, coach a team, cook for a bake sale, design a brochure, greet people at the front desk, find items for an auction, serve as a role model for young people, help out in the office or at a special event, or be part of a group working on a neighborhood problem. No matter how you help, you'll make a big difference as you work with others to create a feeling of connectedness in your community.

The basic definition of a Y volunteer is "anyone who willingly gives time to help the YMCA accomplish its mission without getting paid." In the YMCA movement, we have five categories of volunteers:

1. **Program volunteers** help lead or assist in delivering programs.
2. **Support volunteers** serve in the office, at the front desk, in the locker room or on the grounds.
3. **Fundraising volunteers** raise money by working in annual, sustaining, capital or other special campaigns; working on endowment development; or by working at or running special events.
4. **Policy volunteers** serve on the Y's board of directors, on a committee or task force.
5. **Managerial volunteers** help manage and administer YMCA operations and programs.

To solve the problems closest to home-or better yet-prevent them-the YMCA needs more people like you. **Do something good.**

**Volunteer at the
Lockport Family YMCA.**
